Dennis talked about a web page for the local, using a CD from coolpage.com at a cost of about \$85-\$90. Qwest charges \$50 month for the ISP, Adelphia \$65 month and a phone in the office is \$27.95 for a business line with a voice mail. This is something the Unit Presidents need to get the membership involved in, as a webmaster.

Dennis is this something we want to spend money on. Steve reminded us we will be in the phone book. Dennis said the phone for this year would come out the CWA Triangle.
